The Commissioners Court would prefer fixed prices for the 6-month period. However, escalation for fuel cost up and down will be considered. If bid is so conditioned, the following will be required for adjustment of hauling cost based on fuel cost:

Submit with bid:

Fuel Cost per gallon at time of Bid \$ _____

Miles per gallon _____

Submit with delivery invoice:

Hauled from _____

Hauled to _____

Tons delivered _____

Miles Round Trip _____

Fuel cost per gallon on day of delivery _____

Adjustment up or down for fuel cost will be computed based on this info.
